

C++ Developer in Munich (m/w/d)

Vizoo GmbH, Johann-Karg-Str. 30, 81825 Munich, Germany

About Vizoo

Vizoo was founded in 2013 and provides cutting-edge hardware and software to measure material surfaces for 3D product visualization. It consists of a competent team with a passion for digitization and automation, located in two offices in Germany.

The main products, the xTex scanner and xTex software, measure the visual properties of a material's surface and processed the data into seamlessly repeatable 3D texture maps. Furthermore, Vizoo offers a material digitization as a service.

After 5 years in business, Vizoo can already count many of the biggest automotive & fashion companies amongst its clients. Together with a broad network of partners, the Vizoo xTex scanner is distributed & used all over the world to create digital materials for virtual prototyping.

If you are interested to join our team, please send your CV and a description of yourself to jobs@vizoo3d.com.

C++ Developer in Munich (m/w/d)

We are looking for a C++ developer to work full-time in our Munich office. Together with our development team, your task is to support and maintain the xTex Scanning Software, but also to develop & design new algorithms to process image data into seamless 3D texture maps.

Requirements

- Bachelor or Masters degree in **Computer Science, Computer Media Science** or similar qualification.
- Excellent knowledge in **C++**
- Good or very good knowledge in **Image Processing**
- Two or more years of work experience in development of applications using C++
- Strong mathematical skills and passion for designing complex algorithms
- Fluent in English
- Teamplayer with good communication skills
- Plus: Experience with Git or similar version control systems
- Plus: Basics in German
- Plus: Basic knowledge in 3D Visualization

What we offer

- Participating in the creation of products that are utilized globally, with you directly able to apply your own ideas and influences.
- Flexible working hours, adjustable to your lifestyle.
- Working in a dedicated, international and diverse team with flat hierarchies.
- Further education opportunities (joining on congresses, taking trainings, etc.).
- Free fruit, coffee, drinks, and petting the office dog.

If you are interested, please send your cv and application letter to jobs@vizoo3d.com, and hopefully see you soon.

Your Vizoo Team
