

**VIZOO**

**(Junior) 2D / 3D Designer – Munich (m/w/d)**

*Vizoo GmbH, Johann-Karg-Str. 30, 85540 Haar, Germany*

**About Vizoo**

Vizoo was founded in 2013 and provides cutting-edge hardware and software to measure material surfaces for 3D product visualization. It consists of a competent team with a passion for digitization and automation, located in two offices in Germany.

The main products, the xTex scanner and xTex software, measure the visual properties of a material's surface and process the data into seamlessly repeatable 3D texture maps. Furthermore, using an experienced team of 3D artists, Vizoo offers a material digitization service.

After 8 years in business, Vizoo can already count many of the biggest automotive & fashion companies amongst its clients. Together with a broad network of partners, the Vizoo xTex scanner is distributed and used internationally to create digital materials for virtual prototyping.

If you are interested to join our team, please send your CV and a cover letter to [jobs@vizoo3d.com](mailto:jobs@vizoo3d.com).
