

3D Lead Designer in Munich (m/w/d)

Vizoo GmbH, Johann-Karg-Str. 30, 85540 Haar, Germany

About Vizoo

Vizoo was founded in 2013 and provides solutions in the area of digital materials. We develop cutting-edge hardware and software to measure material surfaces for 3D product visualization. Vizoo consists of a competent team with a passion for digitization, 3D visualisation and automation, located in two offices in Germany as well as one in the US.

The main products, the xTex scanner and xTex software, capture the visual properties of a material's surface and process the data into seamlessly repeatable 3D texture maps. Furthermore, using an experienced team of 3D artists, Vizoo offers a material digitization and visualisation services.

After 8 years in business, Vizoo can already count many of the biggest automotive, interior & fashion companies amongst its clients. Together with the help of our broad network of technology partners, the Vizoo xTex technology is a well known solution, used internationally to create digital materials for all kind of application areas (3D design, virtual prototyping, configurators, marketing etc.)

If you are interested to join our team, please send your CV and portfolio to jobs@vizoo3d.com.

2D/3D Lead Designer in Munich (m/w/d)

What we are looking for:

We are looking for an experienced artist with a passion for creating true to life materials and beautiful content. You will own our material service pipeline and report to our head of design. You dare to think outside the box, create despite boundaries and ideally bring an interest in 3D fashion or digital fabrics. Great communication skills will be essential, you will be a team player and will be our key contact for our service customers.

Roles and Responsibilities

- Create high-end artistic, true-to-life rendering
- Conception of Marketing or client specific content (2D/3D)
- Manage the material service pipeline
- Drive the continuous improvement of our material services in terms of tools, quality and efficiency
- Take full responsibility for the quality output of digital materials & renderings
- Technical consulting of clients regarding our xTex products

You will bring

- Studies in 3D, Design, Digital Media or similar
- Minimum of 5 years working experience in a relevant position (e.g. CG agency)
- High proficiency in 3D render applications (e.g. Blender)
- Profound knowledge in digital image processing and texturing (e.g. Photoshop)
- The understanding of the importance of well-designed processes and efficient pipelines to generate high quality output
- A meticulous eye for detail
- The ability to work autonomously as well as part of a team
- Ability to communicate fluently in English
- German is a plus

What we offer

- Flexible working hours, adjustable to your lifestyle
- Working in a dedicated, international and diverse team
- Free coffee, drinks, and petting the office dog

If you are interested, please send your cv and portfolio to jobs@vizoo3d.com, and hopefully see you soon.
